OnPoint Awarded \$60 Million U.S. Department of Treasury Contract

February 6, 2006 - Arlington, VA

OnPoint Consulting, Inc. has been awarded the Financial Management Service (FMS) Enterprise Infrastructure Support Services contract by the U. S. Department of the Treasury. The five-year contract is valued at approximately \$60 million and is the largest information technology contract to date for Arlington, Virginia based OnPoint. Teaming on this endeavor as OnPoint's subcontractor is M-Cubed Information Systems, Inc. of Silver Spring, Maryland. M-Cubed brings over twelve years of FMS experience to the team.

"We are excited that FMS has called upon the OnPoint Team to meet their mission critical need," said OnPoint CEO and President, Mr. Shankar Pillai. He added, "This win reaffirms our commitment to providing lasting value to our Federal Government clients."

About OnPoint: With 2005 revenues of \$21 million, OnPoint is a growing ISO 9001-certified technology consulting firm that provides critical thinking, strategic analysis, and thought leadership to improve performance, lower costs, and achieve results for clients. OnPoint specializes in providing unique and dynamic solutions that are focused on creating value for our clients in Project Management, Information Assurance, Systems Development, and Network Operations.
