OnPoint Hires Regina Gibson as Vice President of Business Development

ARLINGTON, VA – October 3, 2006 – OnPoint, a leading provider of management and technology consulting services, today announced the hiring of Regina Gibson as Vice President of Business Development. In her new role, Ms. Gibson will oversee all business development activities, targeting opportunities in OnPoint's four lines of business – Project Management, Information Assurance, Systems Development and Network Operations. Ms. Gibson brings over 20 years of experience in program management, proposal development, and business development in the federal and commercial markets.

Before assuming her current role, she held a similar position at Multimax Corporation, a graduated 8(a) firm that grew from approximately \$50 million in revenue in 2000 to \$250 million in revenue in 2005.

“OnPoint is committed to providing lasting value to our Federal Government clients” said Shankar Pillai, President & CEO. “With her strong history of success, we are confident Ms. Gibson will continue to contribute to OnPoint's mission, vision and growth in her new role.”

About OnPoint

With 2005 revenues of \$21 million, formerly Computer Systems Management, Inc. (CSMi), OnPoint Consulting, Inc., is a growing ISO 9001:2000-certified management and technology consulting firm that provides critical thinking, strategic analysis, and thought leadership to improve performance, lower costs, and achieve results for clients. Established in 1994, OnPoint specializes in providing unique and dynamic solutions that are focused on creating value for our clients in the areas of Project Management, Information Assurance, Systems Development, and Network Operations. OnPoint employs more than 200 people at its headquarters in Arlington, Virginia and project sites across the country. For more information about OnPoint, please visit www.onpointcorp.com.
